

S LÁR

FFO: A Swarm of the Sun, Cult of Luna, GY!BE

 Solár is an atmospheric post-rock band hailing from Stockholm, Sweden. Their music is a rich tapestry of influences, ranging from film scores to iconic bands like **Godspeed You! Black Emperor (GY!BE)**, **Swans**, and **Pink Floyd**. This diverse inspiration allows Solár to create an expansive and exploratory sound that takes listeners on a journey across multiple soundscapes.

About the Music:

Solár's compositions are characterized by their cinematic quality and immersive storytelling. The band's unique approach combines elements of DIY aesthetics with progressive structures, resulting in music that is both sophisticated and deeply emotive. Their debut album „Atlas“ (2022) showcases their ability to craft compelling, narrative-driven pieces without the need for lyrics.

Musical Approach:

Solár creates an immersive experience with their cinematic compositions, transporting listeners to another world through their unique approach to storytelling. They describe their music as dark and atmospheric, filled with light and heavy moments, sudden changes, and emotional depth.

Future Plans:

Following the release of their album, Solár plans to expand their live performances outside Sweden, focusing on European festivals and tours. They continue to explore new sounds and themes, driven by their passion for atmospheric sounds and the desire to create music that resonates deeply with their audience.

Band Members:

- Martin Sundgren (keys/bass)
